DANCE OFF TROUPE CHALLENGE

PERFORMERS' REGISTRATION FORM 2016

danceoffchallenge.com.au
info@danceoffchallenge.com.au

- All performers must pay a Compulsory Competitor Pass fee of \$10 to be eligible to enter. This is a once off fee that allows multiple troupe entries for each dancer and helps to cover theatre and insurance costs.
- Performers must register in the foyer on the day of the event to collect their Competitor Pass wrist bands and an authorised signatory must sign the DOC Liability Waiver. Dancers without wrist bands will not be allowed to perform.

TROUPE AVERAGING FORM

DOC Troupe Challenge uses **Age Averaging**. To calculate the correct age category for your troupe, please use the following format:

1. Add up all of the ages of the troupe members as at 1st January 2016.
2. Divide the total by the number of competitors in the troupe, rounding the decimal point up or down. (Rules for rounding - 0, 1, 2, 3, 4 (round down) 5, 6, 7, 8, 9 (round up). For example: Average age is 12.4yrs (round down to 12 yrs) Average age is 12.8yrs (round up to 13 yrs)
3. Check that your oldest performers are not dancing lower than one age category down from their actual age. **e.g. Average troupe age is 14 but one troupe member is 18, then the troupe must perform in 16 yrs and Under.**

Note: Age Averaging has been introduced to benefit teachers by keeping competition teams together when 1 or 2 performers are just over the age limit. Any abuse of this system (including entering younger performers who do not complete at least 60% of the dance in order to bring the age category down) will result in disqualification.

Please list your troupe participants, their age totals and the age category entered:

Troupe Item Name	Calculate Total Age of all Troupe Performers (A)	Total No in Troupe (B)	$A \div B =$ Average Age of Troupe (round off the decimal point)	Age of oldest Troupe member	Age Category Entered
